Audit was successfully carried out on **29-07-2021**

This certificate is valid until **30-07-2026**

Issued at Hamburg on **10-02-2022**

*This certificate consists of this sheet and 2 (two) attachments*

**Attachment to Statement No.: 2021/XG/01/ 2076****General conditions for the statement validity**

1. The application is to be forwarded to RINA Hamburg Office using RINA form for any single Purchaser's Order, indicating "Firm provided with RINA Alternative Testing Scheme (statement reference number)". RINA will send the relevant File Number to the Manufacturer.
2. The products are to be produced, inspected and tested in compliance with Quality Control Plans / Inspection and Test Plans (Q.C.P. / I.T.P.). The names of the personnel appointed by the Manufacturer as responsible for any phase of the production and control process is to be clearly stated on relevant Q.C.P. / I.T.P.
3. Remarks on approved drawings are to be dealt with as follows:
  - 3.1 Type A remarks: written answer is to be submitted to RINA Plan Approval Centre.  
RINA Hamburg Office is to be provide with copy of the correspondence and acceptance by RINA Plan Approval Center
  - 3.2 All other remarks are to be dealt with by the Manufacturer. RINA Hamburg Office is to be provided with relevant documented evidence.
4. The Manufacturer is to agree with RINA the dates of the execution of inspections and tests to be witnessed by RINA Surveyor, as required by the relevant Q.C.P. / I.T.P.
5. On completion of the inspection and tests as required by the relevant Q.C.P./ I.T.P., the Manufacturer is duly authorized to issue the following documents:
  - 5.1 Certificate of Conformity (RINA Form "COLALT"), duly endorsed and marked on Manufacturer's field.
  - 5.2 Manufacturer's relevant inspection and test reports signed by the appointed personnel.
  - 5.3 Evidence that the remarks on the approved drawings have been dealt with, as applicable.
6. One set of the above documents is to be sent to RINA Hamburg Office before the delivery of the products. Upon satisfactory review of the above documentation, RINA Hamburg Office will send back (by mail) COLALT certificates duly endorsed, stamped and with the related invoice.
7. Upon receipt of the certificates, the Manufacturer is authorized by RINA to mark the products with RINA stamp and RINA file number.
8. Products are to be delivered once provided with RINA stamp and the relevant RINA "Certificate of Conformity" COLALT duly endorsed by RINA.
9. Any "non conformity notice or "client / shipyard claim" is to be forwarded to RINA Hamburg Office with relevant "corrective actions" taken as soon as possible.
10. The validity of the present Statement is subject to the satisfactory result intermediate audits and the Manufacturer premises, carried out according to the table included in this attachment. RINA reserves all the rights to perform unscheduled audits.
11. Any modification to the initial conditions (e.g. relevant design characteristic of the product, production and control procedures, suppliers of main components) are to be promptly communicated to RINA which deserves the right to require for additional assessment.
12. RINA may suspend or withdraw the admission to the Alternative Testing Scheme in the case of modifications to requirements or conditions for initial admission.
